

Corbett Stars in "Winslow Boy" Tonight

As We See It

By PAT POLLOCK

We'd like to congratulate Don Dye on his appointment as sophomore representative. Don will replace Roy Taylor, who is leaving us for the navy. Roy was one of the commission's most active members, and one of its hardest workers.

Last semester, he attended several student government conferences, handled a particularly rough job as parade chairman of Homecoming, and could be counted on to keep things "rolling" in commission meetings.

We feel that Don is a wise choice as his successor.

Things coming up: Who made the remark that the school dies socially when the spring semester rolls around? In rapid succession we have coming up—the Art club dance, Newman dance, Hawaiian club dance, Sadie Hawkins day, Soph show, Carnival, Commission dance, and finally the Spring Prom, tentatively set for June 2.

The seating situation in the cafeteria at noon seems to have improved a wee bit. We've decided that either Mrs. Freyer has secured more chairs or some of the card players have taken up in Las Vegas for the rest of the season.

We wonder if possibly some warm, secluded spot couldn't be set aside as a "smoking section" for the between-classes weed fiends. There doesn't seem to be much chance of getting a student union before the spring thaw sets in, and in the meantime, baby, it's cold outside.

For those who didn't see "The Winslow Boy" last night, we recommend it highly. The Winslow story is particularly timely because of the recent similar cast in San Mateo, and the production is a fine one.

Outstanding, too, is the stage setting, designed by art student Bob Kensinger before he left for the Chouinard Art Institute in Los Angeles.

Don Dye to Fill Post As Soph Representative

Sophomore Don Dye was appointed Tuesday to fill the term of Roy Taylor as sophomore representative. A committee, including Student Body President George Miljanich, Gardner Pond, and Pat Pollock recommended Dye to fill the post, vacated by Roy Taylor.

Wayne Ingols recommended that a list be posted of those students holding overdue promissory notes for student body fees.

Ingols also reported that the date set for a commission dance has been set for March 31, the Friday before Easter vacation.

PANTHER SENTINEL

Volume XIX

Salinas, California, Friday, February 10, 1950

Number 15

A scene from "The Winslow Boy" is pictured above as it was presented last night. The play will be repeated tonight and tomorrow evening. Left to right are Claude Brogdon as a photographer, Marguerite Sander, a reporter; Phyllis Williams, Mrs. Winslow; Richard Cimino, Mr. Winslow; and Geordie Corbett, Ronnie Winslow.

One Sixth of Student Body On Probation

Approximately one sixth of Hartnell's students are on probation, Mr. Jerry Girdner, dean of guidance and counseling, announced today. The probationary student is one who has, in the last semester, failed to obtain as many grade points as units.

There are three main types of probation. They are straight probation, strict probation, and one semester trial. A total of 61 students are on probation; 26 are on strict probation; and 42 are on one-semester trial.

Old students with a deficiency in grade points for the first time are put on straight probation.

Students who have been on straight probation for one semester and have failed to make a "C" average are placed on strict probation for the next semester.

Of the 26 students who are on strict probation, their grades will be checked every six weeks during the complete semester. If in any six-week period the student fails to hold a "C" average he will be immediately dismissed; or if at the end of the semester he has failed to receive a total of as many grade points as units attempted at Hartnell College he will be subject to dismissal.

A new category started, pertaining mainly to new students, is one-

700 Enroll This Term

This semester's enrollment stands at exactly 700, President John B. Lemos announced this week. The cumulative enrollment, which is more than 800, has not yet been tabulated.

A complete, accurate and final study list must be filed with the registrar's office on Friday, February 17, and no new courses may be added after that date. Courses dropped after March 10 will be given a grade of WF.

Any student who has not turned in his completed registration card must do so immediately, Mr. Lemos stated.

semester trial. This is a one-semester trial period for three types of students. They are transfers from other colleges who have failed to measure up to college level standard, high school graduates who have had a very low academic standing, and a few Hartnell students who are far below the required grade average.

One-semester trial is designed to eliminate in a single semester those students who are not suited for college work. One-semester trial is a "last chance" for students on probation.

RIDING CLASS

There are still openings in the riding class, according to Miss June Handley. The class is open to both men and women students.

New Admission Requirements for San Jose State

San Jose State college has revised admission requirements in order to curtail enrollment. The new and higher scholastic requirements will go into effect immediately. Junior colleges as well as high schools are effected under the changes.

San Jose State officials encourage students to finish their junior colleges, work before transferring. Transfers from junior colleges, who have not completed two years of college work, must file both their high school and college records at San Jose. Admission of these students depends on the excellence of both records.

Transfers with two years or more of junior college work with a C average or better will be eligible for admission to the state college. Students must also maintain a C average in lower division academic subjects.

Residents from other junior college districts will not be admitted to the junior college division at San Jose. In order to be eligible for admission, students from other jaycee districts, must enroll and qualify for a four year course. They must select something other than a technical objective.

Reason for the action is the overcrowded condition that now exists at San Jose. All applicants who wish to apply for admission in spring quarter must file information not later than March 1.

Four-Act Play In Second Night; Ends Tomorrow

Last night saw the first performance of Terence Rattigan's prize winning four-act play, "The Winslow Boy," in the Hartnell little theater.

Geordie Corbett, who is playing his first role on the Hartnell stage, portrays Ronnie Winslow, a naval cadet at Dartmouth. His older sister, Catherine, an ardent supporter of people's rights, is played by Jacquie Day. Arthur, the father who won't give up the fight, is done by Richard Cimino. His wife Grace is portrayed by Phyllis Williams.

Dickie Winslow, a noisy Oxford undergraduate, is characterized by Dewey Chambers. The men in Catherine's life are John Wahterstone, played by Dick Rohrbacher; Desmond Curry, a deteriorated athlete, who is played by Jim Smith; and Sir Robert Morton, the eminent barrister, portrayed by Don LoPresti.

Marguerite Sander plays the part of the lady reporter, while her photographer friend in crime is played by Claude Brogdon. Virginia Vierra plays the maid, Violet.

Mr. Harold Ulrici is director of the production and those on the production committee include stage manager, Claude Brogdon; head electrician, Dick Rohrbacher; properties, Gloria Scroggs; stage assistants, Carla Adams and Helen Wobler; make-up, Dean Stamatoopoulos. Gardner Pond has handled the publicity.

Performances of "The Winslow Boy" will be presented tonight and tomorrow night in the little theater beginning at 8:15.

Art Club Dance Next Friday

Art club will feature the first dance of the spring semester, Friday night, February 17, following the Menlo-Hartnell basketball game. The dance will be held in the cafeteria and the music will be furnished by records.

Chairman of the dance is Gayle Caskey, assisted by Clo Castro. Helping on the committee are Pat Eldridge and Laura Lee Abeloe. All members of the art club are urged by Gayle to help on the committees.

Frosh Meet Today

Freshman class meeting, to discuss plans for the annual Pajamarino, will be held today at 11 o'clock in the men's gym.

The affair has been tentatively scheduled for March 10, "Bunky" Millsap, freshman class president, announced today. All freshman class members are urged to attend this meeting, Millsap said, as committees will be organized then.

Carlisle Receives Number of Rare Mineral Specimens

Recently a number of mineral specimens, consisting of some stalactites and stalagmites were sent by Mr. Robert Kinzie of the Santa Cruz Portland Cement company to the Hartnell science department, according to Mr. Richard Carlisle. The specimens were found when a subterranean cave was uncovered during the process of blasting in a limestone quarry near Santa Cruz less than a year ago.

Mr. Carlisle states that some of the specimens are from 1500 to 3000 years old. He also said these columns of rock are formed by the constant action of water dripping from the roof of the cave.

BEAUTIFUL FLOORS
You Design Yourself

Let us help you put Kentile squares and colors together to make a floor that just matches your room. Kentile is super-durable; colors go clear through (can't wear off); 100% floor with no felt or other backing. Easy to clean. Drop over or phone to find out all about this wonderful floor.

Valley Center

CAMPU SOLOGY

By GEORGE JACKSON

Things are bad when students must fight to attend a class, but when instructors must battle for a classroom, the situation is deplorable, indeed. This, unfortunately, is the situation that prevails here at dear old Hartnell. Proof of this bad state was shown last week when Miss Eleanor Perry and Mr. Louis Eris hooked horns in a do-or-die duel for Room 3.

Both claimed legal possession of the structure, so the fight began. Before the fracas became too violent, it was quite evident Mr. Eris was not to be denied his Room 3. Miss Perry, a brilliant strategist, soon realized she could never overcome Eris' canny defense, and, as a last resort, she admitted she did not have possession of said Room 3 until the next hour, and the battle ended.

Not all the battles around concern the faculty, however; take for example one Gardner Pond. Seems Pond was quite interested in attending College of Pacific, so he made an excursion to Stockton to talk the situation over with COP officials. He found the campus and made his way straight to one Mr. Taylor, VA advisor and, Gardner didn't know this, one of the editors of the COP bulletin.

With an expression of expectant victory on his face, Pond came forward with: "I don't quite understand some of the terms in your bulletin and I would like you to help me to clarify them." This expression soon left his face when the said Mr. Taylor came back with: "Mr. Pond, if you can't understand our bulletin—we don't want you at COP."

This comes as a friendly warning to all: Miss Luella Wiens was peeved when students drained her inkwell before finals; she was surprised at the large number of overdue and lost books; but when the "studying students" talk during the five minutes after each hour she is downright disgusted. In other words, she wants the students to stop the conversation.

No article would be complete without some skiing news, and news it was that Bill Leach made on his last outing. Chronologically, this is what Bill did in attempting to ski down the mountainside: his skis slid down the hill, but Bruce McCallum was struck by them and finally retrieved them; next they went down the mountainside; Bill managed to catch them himself on their next run; Guido Gysler performed the rescue and saved them next time; on their final attempt, the skis made it all the way down. Bill soon followed. Must have been some skis.

Hawaiians to Meet Monday

First meeting of the Hawaiian club this semester will be held Wednesday at 12 o'clock, according to Club President Jim Akimo. Students may consult the bulletin board for place of meeting.

SKI CLUB

The Ski club will meet today at noon in room 2, President Don Mignola announces.

Flying Club To See Movies

Flying club will now have access to several movies on flying put out by the Civil Aeronautics Administration, according to Mr. Richard Carlisle, advisor of the group.

Two new members, Don Johnson and Bill Nye, have joined the club. According to Mr. Carlisle, anyone interested in joining the organization should see him. A meeting will be held in the near future.

Gloria Scroggs Star Of "Mable's Fable"

Information on Two Scholarships Received Here

Announcement of two scholarships has been received here recently, one by the Salinas Soroptimist Club and the other by the trustees of the late James D. Phelan's estate. The Soroptimist scholarship is known as "The revolving scholarship fund" and is open to a girl student at Hartnell college. It is for \$200. Application must be made during March, and all applications should go through Mr. Jerry Girdner.

Applications for the Phelan award must be made before March 15. The \$2000 award is made in the field of music and is made available under the terms of a bequest of the late Senator James D. Phelan. Applications may be obtained by writing the office of the James D. Phelan Award in Literature and Art, 820 Phelan Building San Francisco 2. An original symphony must be submitted.

Husbandry Class To Groom Steers

Seven or eight members of the Hartnell A. and M. animal husbandry class, under the instruction of Mr. Legro Pressley, have each taken a steer which they will care for and groom for showing in late spring.

First showing of the animals will be made in early April at King City. They will then be shown at the A. and M. open house in May.

Gloria Scroggs, Hartnell sophomore, will star in the title role of "Mable's Fable," the soph show, according to Director Dewey Chambers.

The show is described by Chambers as a "vaudeville with plot." It tells the life story of Mable, an old actress, whose youthful activities are related by flashback.

Tentatively set for some time in April, "Mable's Fable" will include Mable's activities at Hartnell, in the circus, in silent movies, in Hawaii, and in the "roaring twenties." There will be an oleo between acts, produced by Ralph Rowland and his committee.

The show will be written and directed by Chambers, assisted by Dick Rohrbacher and Dean Stamatopoulos, who will handle stage and special effects. Stamatopoulos will also do costumes.

In organizing the production, it is planned that each person will work up his own act, and present it to Chambers, who, if he approves it, will incorporate it into the plot.

27 Skiers Enjoy Weekend at Cisco

Twenty-seven members of the Hartnell Ski Club were participants in a welcome vacation trip following last semester's finals.

Cisco Grove was the home base for the weekends' activities, but the group also did some skiing at the Sugar Bowl and Squaw Valley. An almost continuous snow fall cut actual ski time, but the beginners did have a chance to receive some excellent instruction from Guido Gysler. Members of the group had many other difficulties excluding the fall of snow, but there were only two fatalities. They were a pulled ligament for Dick Johnson and a minor injury for Marie Cominos.

Tuesday proved to be the best day for skiing, but it was enjoyed by only five members who had stayed after the rest of the group had returned to school.

Another trip is being planned for this weekend by the club's president, Don Mignola. The place will be either Wawona or the Santa Cruz lodge.

Reese Speaks To Canterbury

Principal speaker at the Canterbury meeting held recently was the Reverend Gordon Reese who spoke on "Lent and Self-discipline."

The meeting was attended by eight members, and their advisor, Mr. B. L. Borough. Included in the regular meeting was a report by Margie Mathers on the club's sale of basketball programs at the recent games. Net profit for the two nights was \$15.10, Miss Mathers announced.

Mrs. Scott Speaks To Colhecon Club

The first meeting of the Colhecon club for the second semester was held yesterday noon in room 35.

The purpose of the meeting was to welcome all new members of the home economics department as well as the old members. The business part of the meeting was followed by the introduction of the guest speaker, Mrs. W. H. Scott, owner of Scott's Women's Wear. Her topic was "What it Takes to Get and Hold a Job."

Members of the Colhecon club who served on the committee which planned and arranged the program were Marjorie Rains, Jean Tabacchini, Suzanne Rycraft, Frances Pollitt, Helen Jang, and Nancy Feris.

The meeting was open to all girls who are in the home economics department and also those who were interested in the speakers topic. Refreshments were served at the close of the meeting.

Miss Novotny, club advisor, said the Colhecon club plans to have more meetings and more guest speakers in the future.

Shearing School On at A and M

Today and tomorrow Hartnell A&M will hold a sheep shearing school in conjunction with the California Wool Growers' association. The purpose of the school is to demonstrate the proper method of shearing sheep. Sixty prospective sheep shearers from the Salinas area are expected to attend the school.

Bill Throgmorton of Hartnell A & M will be one of the fellows attending. Representatives from the Sunbeam Corporation will be the speaker and will conduct instruction.

The need for sheep shearers is increasing and apprentices are welcome to attend the school. Anyone interested in sheep shearing is invited to attend.

Lost and Found Running Over

With all the appearances of a five-and-ten-cent store already, the lost-and-found department in the main office is growing and begging. It is growing because more articles are being turned in all the time, and it is begging students who have lost articles to find out whether or not they are in the department.

Included in the long list of articles turned in is a girls' coat, pens, pencils, books, sweaters, a shaving kit, a windbreaker, notebooks, and numerous other items.

CBS Announces Writing Contest

The Columbia Broadcasting System and World Video, Inc. have announced the inauguration of a nationwide collegiate writing contest. The competition is open to students in American colleges and universities. There will be prizes of \$500 for hour-long television scripts and \$250 for half-hour scripts. The entries will be judged by a three man board consisting of Charles M. Underhill, program director for the CBS Video network; John Steinbeck, author; and Donald Davis, screen writer and producer for World Video, Inc.

The official announcement declares the aims of the contest to be: the development of television, to find new and gifted writers, and to encourage new writers. The contest, which is open only to students 18 years of age or older, began February 3, and ends June 30, 1950.

Contest rules and the required blanks may be obtained by writing to Director, CBS Awards, Headquarters: 15 East 47th Street, New York 17, N.Y.

LEE-DON MARRIED

Surprising friends after their recent engagement, Mitzi Lee and Jim Don became Mr. and Mrs. after traveling to Reno, Nevada, January 3. They are now living at 28 Buena Vista Street.

Editor Announces Delegates Attend La Reata Now Farmer Meeting On Sale in Room 9

La Reata pledge cards are now available in room 9. Student body card holders may obtain them by paying \$2.50. Those who do not have student body cards can purchase them for \$5.00. One dollar may be paid when the book is purchased.

Camille Johnson, editor, has sent 35 of the pages to the printer and lithographer. The staff will also have the able assistance of Clotilda Castro, who will be doing most of the work associated with the art part of the book. Other members of the staff include Gary Robinson, sports editor; Phyllis Williams, staff writer; and Andy Ausonio, photographer. This year there will be many attractions about students and also photos of student affairs.

Editor Johnson urges anyone with good photos to bring them for the snap shot section of the book.

Newman Club Plans Feb. Dance

Plans for the novel Newman club dance are moving along at a rapid clip, chairman Jeanette Bardin announced recently. The dance, entitled "Isle of Capri," is slated for February 24, after the Hartnell-M.P.C. basketball game, and will be held in the cafeteria.

A seven-piece band has been tentatively secured, and the location will be decorated in a manner appropriate for the occasion. Price of tickets has not been set by the club, but will be announced later.

Miss Bardin announced the following committee chairmen: Virginia Vierra, decorations; Bill Casalegno, entertainment; Helen Wolber, refreshments; Francis Sillaci, tickets; and Dee Fosselman, publicity.

STUDYTOURS

Students interested in taking part in European studytours will be interested in information which Mr. Jerry Girdner has received concerning tours offered by International Studytours Alliance, Inc., for this summer.

These tours are offered to give students a chance to study abroad and visit the famous libraries, museums, and academic institutions in Europe. Tours are priced from \$500 up, and departure is from New York City.

Baseball Season Opens Feb. 27; Veterans Return

Coach Jess Regli, baseball coach at Hartnell college has announced that practice begins on Monday, February 27, on the gym class baseball diamond.

Regli states that he has bright hopes of a successful season, as he has several able pitchers. Several of the veterans from last season's campaign will be back, including John Alsop, Leo Cook, Bill Cook, and Wally Wong.

The first game is scheduled for March 17, against the San Jose State Frosh. All men who are interested in playing baseball should contact Coach Regli.

Panthers Nip Modesto 33-26; Bow to Stockton

The Hartnell Panthers clawed their way to a 33 to 26 victory over the Modesto Pirates Friday night, but the following evening were dumped by the Stockton Cubs 62 to 50 when they tired badly in the closing minutes of battle. Both games were played on the opponents' courts.

Scoring 15 points on four field goals and seven free throws, Fred Willson again led both Hartnell and Modesto in the point making bracket. Jim Doan, the high scoring Pirate forward, who is usually good for at least 15 points, was held to seven markers by the excellent guarding of Wally Wong. Johnny Wong also proved a great asset to the Panthers with a terrific floor game.

The Harts went to a 19 to 13 lead at the intermission, largely on the point getting of Willson and the ball hawking of Johnny Wong. After ten minutes of the second half had elapsed, Modesto enjoyed a brief two point lead, but Hartnell, with Ed Macha hitting for two buckets in rapid succession, overtook the Pirates and coasted to easy victory in the closing minutes.

Saturday night the Panthers met a strong Stockton five and went down to defeat 62 to 50. Hartnell was on a short end of a 25 to 23 score at half time, but the Panthers came up fast and built up a five point lead with eight minutes remaining to play. Led by Rod Detrick, the Cubs then closed the gap and trounced the Harts in the closing quarter.

Fred Willson, fast improving Panther center, racked up 16 points

Panthers Drop Three Leaguers

Ending the fall semester, the Hartnell Panthers copped one victory in four games played on the weekends of January 20, 21, 27, and 28. The Panthers were defeated by Modesto, Menlo, and San Mateo but salvaged a triumph by trouncing the Stockton Cubs.

Friday night, January 20, the Hartnell Panthers went down to defeat before the Modesto Pirates on the local college court. The Harts were ably led by Bill Bell and Johnny Wong who brought in 12 points apiece for the Panthers. Jim Doan, classy Modesto forward, captured high point honors with 20 points, 16 of which came in the second half.

The following night on the Hartnell hardwoods, the Panthers scored an upset victory over the tall Stockton Cubs 41 to 33. Big Ed Macha paced the local five with 11 points and was closely followed by Bill Bell and Wally Wong who each posted eight markers.

With Gisler and Flowers scoring 36 points between them, the Menlo Oaks defeated the Panther hoopsters 50 to 47 on the Menlo floor Friday night, January 27. Willson and Macha garnered 15 and 13 points, respectively, to lead the Harts in their futile efforts.

Saturday night Hartnell traveled to San Mateo only to be defeated again in a closely contested encounter 65 to 64.

Fred Willson, high scoring Panther center, again led the Panthers, notching 21 points in an effort to catch the fleeing Bulldogs. Marv Rector headed the high geared San Mateos to victory scoring 25 points, 17 coming in the initial canto.

and was followed closely by Herb Withers who scored 15 points for the locals.

Track Season Opens Soon; Outlook Good Harts Defeat Napa 59-53 At Cow Palace

Working out for the past few weeks, several aspirants have been preparing for the coming track season. Coach Ed Adams is looking forward to a much improved team over last year's squad.

John Dobbel and Richard Leffingwell should strengthen the shot-put and discus division. John tossed the shot 50 feet 1 inch last year for Salinas high for a CCAL record while Leffingwell was close behind with a toss of 47 feet.

Doebel has flipped the discus 130 feet in practice while Loren Green has done as much in a meet. The pole vault will be held down by veteran Ted Dennis and Jim Tannahill who are both expected to go over 12 feet.

Track schedule for 1950:
March 10—Open, 17—Interclass, 25—Dual Meet at Menlo.

April 1—Santa Rosa-San Mateo-Hartnell at San Mateo, 8—Sacramento JC and Hartnell vs. Cal Frosh at Berkeley, 15—Santa Rosa and Hartnell vs. Stanford Frosh at Palo Alto, 22—Invitational Small Schools at Salinas, 29—Southern Division NCJCC at Modesto.

May 6—N.C.J.C.C. Meet at Sacramento, 13—Fresno Relays at Fresno, 20—Modesto California Relays at Modesto, 26—Nationals at Visalia.

CCSF Beats San Mateo; Leads League

San Francisco took the lead in the league by defeating San Mateo 69-53 last Friday night. Before this defeat San Mateo had been tied for first place with the Rams.

CCSF, last year's champs, made eight straight points to go into the lead in the first half and were never headed after that. Leading

Playing in the famed Cow Palace Pavilion, the Hartnell Panthers defeated Napa J.C. Chiefs, 59 to 53, Tuesday night. The Panthers jumped to a fast 16 to 5 lead in the first eight minutes, but their long lead was cut to a mere 27-to-23 at halftime.

Fred Willson startled the Chiefs, hitting from every angle to produce 26 points. His total was the highest achieved by any of the Harts this year. Bill Deming, stocky Napa forward, ran close behind Willson with a total of 24 points.

Hawaii Drops Webbs 28-14 In League Opener

Opening the 1950 intramural basketball season were the Goldbricks, led by Arthur Webb and Hawaiians led by Bob Swan. The Hawaiian boys had enlisted the services of two new enrollees at Hartnell from Hawaii. It was quite evident that these fellows had played basketball before.

The Webbs never took the lead from the Hawaiians. High point men were Doug Bird with 6 points for Webbs, and Bob Swan for the Hawaiians with 8 points. The final score was 28-14.

Hartnell Meets CCSF Tonight; Cal Blues Next

Tonight the Hartnell college hoopsters play host to the league-leading City College of San Francisco five on the home court. Don Keeney will be back in the lineup after being out for five weeks with a bruised bone in his foot. Also starting will be Ed Macha, Johnny Wong, Wally Wong, and Fred Willson.

Coach Ed Adams states that he hopes the team does better against CCSF here than they did against them in San Francisco when the Rams trounced the Panther squad by 30 points. The preliminary between Monterey Peninsula college and Fresno Junior college will start at 7 o'clock and the feature at 8 p.m.

Tomorrow night the local quintet will travel to Berkeley to play the highly touted Cal Blues. The Cal team has been beaten by Modesto, but is expected to put up a good fight.

the scorers was Bob Peterson of San Mateo with 22, while Kevin Duggan and Pat Boyle scored 21 and 20 points respectively for the Rams.

San Francisco's record as it stands now is 6 wins and 1 loss.
